WELCOME!

Welcome to Charlie Company, Training Support Battalion. Our mission is to support you, the reclassification and ASI Soldier.

You are here to attend a course of instruction and that will be your primary focus. You will be one of approximately 250 Soldiers assigned to the company. You must bring all your basic clothing issue, 201 file, medical records (to include over 40 physical), dental records, and the pre-execution checklist (located in Appendix H, TRADOC Reg 350-18). You will have an assigned platoon sergeant, whose role is to support your needs, monitor your actions, and professionally develop you.
